

11. IL CAVALLO

Il Cavallo

(AUS) 2010 Bay (Choisir – Gold Chant by El Moxie)

Commencing stud duties this Spring.

He was himself an extremely fast ‘sprinter’ and is a ‘**3/4 brother**’ to the brilliant **Starspanglebanner** the champion sprinter of Europe in 2010 and now successful sire in both Australia and Coolmore, Ireland.

He gave NZ a glimpse of his abundant speed at his first start here when he was run down by the barest of margins over 1000m at Ricarton in the Pegasus S (L).

His sire **Choisir** (75SW) was the Champion Aust 2yo of his year and was later crowned Champion Sprinter of Europe.

His stakes-placed dam **Gold Chant** won 5 races (1000-1200m) and has left 3 winners to date including the high-class filly **Amicus** (G1 thousand GNS, G2 Breeders S, G2 Lets Elope S).

It is not difficult to suggest that this recipe will leave speed should produce precocious 2Yo’s early in his career.

Service Fee \$3,000 + GST.

Standing at CHEQUERS STUD, Cambridge.
