EL HERMANO

(NZ) 2005 Bay (Pins – Palos Verdes by Oakridge)

A full brother to the great racehorse **El Segundo**. He fetched A\$1.2m at the Sydney Easter Sale with vendors, Ancroft Stud, deciding to retain a 10% share in him because he was such an outstanding individual. Unfortunately he never made it to the racetrack due to a severe paddock injury incurred later that same year. His sire **Pins** has already left 74 SW and he comes from a family that is synonymous with Ancroft Stud going back to the great **Battle Waggon** who put their nursery on the map. He is a very honest stallion who from only a moderate number of starters has left 32 individual winners including **Farm Boy**.

Service Fee \$4,000 + GST.

Standing at CHEVAL STUD, Te Awamutu.
